### Muscarelle Museum of Art

"The Finest Art"

Located inside the College of William & Mary, the Muscarelle Museum of Art was created after locals realized what a wealth of art the university had accumulated over the years. The exhibitions held here are dramatic and thought-provoking to say the least, while the permanent exhibition is a class apart from the others you may have seen. Abstract Impressionist lovers will delight in this art haven that has preserved its treasures magnificently. Check website for details.

### The Bookpress, Ltd.

"Beautiful Book Emporium"

If you enjoy exploring quaint bookshops filled with volumes on every topic imaginable, then stop by The Bookpress, Ltd. during your stay in Williamsburg. The beautiful shop was opened up in 1973 and has books, maps, and prints for sale. The shop also prints catalogues of books on a variety of topics, from Colonial Americana to wine and horticulture.

### Serenity Spa

"Pure, Simple Relaxation"

For a bit of pampering and relaxation while visiting Williamsburg, head over to Serenity Spa. The spa offers many different services, ranging from the traditional to the unique. Microcurrent & Microdermabrasion, Tanning and Detoxing Herbal Wraps are just some of the treatments on offer. Visitors to the spa can choose a simple manicure-pedicure combination, or a more luxurious spa package that includes massages, facials and scrubs. The spa and salon also allows you to enjoy the luxurious spa treatments in the comfort of your own home as they offer mobile spa services too.

### Little Creek Reservoir Park

"Indulge in Recreational Sports"

The Little Creek Reservoir Park is anything but little. The reservoir is spread over 996 acres (403 hectares) and is open for boating, fishing, and picnicking year-round. Mountain bike trails, canoeing, kayaking and even wildlife viewing is possible in this park. Visitors to the reservoir can stroll along a nature trail, picnic by the water, or try their luck at fishing. However, it is important to note that only electric trolling motors are allowed on the water.
