Pho Saigon Restaurant

"Authentic Vietnamese Cuisine"

Located in the Forest Park neighborhood of Springfield, Pho Saigon Restaurant serves up very tasty Vietnamese meals for their loyal customers. Since opening in 1998, this family-owned and operated restaurant has maintained an authentic menu with spicy and flavorful dishes. A favorite is the classic pho soup with sliced beef and noodles, which is very much a meal by itself. Other menu items include the lemongrass chicken and rice and the sweet and sour shrimp. Dishes can be ordered for take-out as well.

Munich Haus

"A Taste of Munich"

Feel like you're in Germany at Munich Haus, a beloved restaurant and bar that serves authentic Bavarian cuisine along with an impressive beer selection. The authentic German dishes include potato pancakes, pierogies, schnitzel, and of course sausages. Visit the beer garden and enjoy an imported bottle or pick from one of their many beers on tap. Munich Haus also hosts events and you shouldn't miss their Oktoberfest.

Atkins Farms Country Market

"Sample the Local Food"

Atkins Farms Country Market is an apple orchard and market that sells quality food, including locally grown produce. You'll find everything from seasonal vegetables, ripe fruits, great canned goods, a wonderful deli, and even delicious treats at the bakery. The store also creates amazing gift baskets, including the popular New England Snacking Basket. However, a trip here isn't complete unless you try their delicious apple cider doughnuts!
