El Paso Downtown

"Downtown El Paso"

Over the last decade, the downtown El Paso area has undergone plenty of revitalization and will eventually be completely revamped under a plan which will see the private and public sector coming together. Even today, the area that surrounds the El Paso Museum of Art and the Canam Highway encloses tons of restaurants, entertainment options and other attractions.

TI:ME at Montecillo

"New Age Shopping Center"

TI:ME at Montecillo is a hip and trendy shopping mall that's gaining popularity among both locals and tourists visiting the city. The shopping center has a range of small clothing and accessory stores as well as a few designer boutiques. A fully functional restaurant, coffee shop, hookah bar, salons and a juice bar are all a part of this large shopping district. The place is very innovatively decorated with colorful artwork and paintings all around giving the place a very rustic charm.
