Fritz's Salon for Men

"Just for Men"

This barbershop and salon was created exclusively for guys and is a cool spot to get a hair cut. And though many men just want to get a haircut and not pay too much for it, this isn't your normal run-of-the-mill barbershop. Here they offer massages, skin care and hand or foot treatments. The salon itself is located in the neighborhood of Hurstbourne, about 15 minutes outside of downtown Louisville. Walk-ins are welcome.
