### The Crystal Room

"Dancing to the Tunes of Celebrations"

Housed in The Chelsea one of the luxurious accommodations of Atlantic City, the Crystal Room is a multipurpose event space. Formerly known as Howard Johnson's ballroom, this 4400 square foot space has been renamed in appreciation of the elegant crystal chandeliers that decorate this room. The ballroom also has an exquisite balcony that can house around 35 people. Various event celebrations like the Halloween feasts and other private functions are regularly hosted by this sophisticated space. This venue has a seating capacity of around 270 people, making it a versatile place for staging entertainment.
