Elysée Montmartre (L')

"Lugar de Música Popular"

Com mais de cem anos de existência e ainda de pé, este lendário lugar no coração de Pigalle continua a desenvolver-se. Utilizado no passado em diferentes tipos de entretenimento tais como os torneios de boxe, peças e diversos tipos de espetáculos, o Elyssé se tornou o lugar mais amado de música parisiense. Grupos não muito bem conhecidos assim como artistas famosos já se apresentaram aqui. Hoje o local é bastante querido pelo público jovem e possui uma decoração em estilo retrô que é perfeito para noites tais como a dança de Elysée-Mountmartre (contando com uma orquestra completa) ou a "Casa Aberta" (noite de música techno) frequentemente organizada nos fins de semana.

This venue has five rooms on two levels and they can be used for a range of private, cultural, and corporate events. In the past several years, the cafe has become a hub for Parisian hipsters and fashionistas alike; it's been known to host weekly indie, electronic and hip-hop concerts, DJs and fashion parties, as well as a weekly book swap and dance party.
