Camp Nou

"Casa do Blaugrana"

Uma visão impressionante e a maior glória da comunidade do futebol na Espanha, o Camp Nou é um dos maiores estádios da Europa. Lar do amado Clube de Futebol de Barcelona, conhecido simplesmente como Barça pelos locais, este estádio espetacular foi construído em 1957 em um terreno separado, quando a expansão do estádio Camp de Les Corts foi considerada impossível devido à falta de espaço. O estádio é às vezes chamado de "casa que Kubala construiu", em referência ao grande artilheiro eslovaco-húngaro que jogou pelo Barça na década de 1950. Kubala era tão popular entre os espectadores que o estádio não conseguiu acomodar as massas extraordinárias que se aglomeravam para vê-lo jogar em mais de uma ocasião. O Camp Nou pode acomodar mais de 99.000 espectadores por vez e é profundamente icônico por suas arquibancadas vibrantes, pintadas nas cores do clube: azul e vermelho.
