Birraria La Corte

"Good Food, Great Beer and Lovely Patio"

Birraria La Corte is a popular restaurant situated in the heart of San Polo. This no-nonsense pizzeria has a beautiful extended patio where one can enjoy a scrumptious Venetian fare and watch the world pass by. The dining room and garden together seat around one hundred people, hence the place is great for larger parties and families.. The menu includes several types of pizzas as well as regional pasta, vegetable and fish dishes. The wine list contains mainly local varieties but since this place was a former brewer, beer takes pride over wine here. Quite famous among the locals, the place is seen buzzing with patrons throughout the day.
