### Popkiller of Little Tokyo

"Offbeat Fashions"

The place is a paradise found for any hipsterette or eccentric fashionista. In short, the store carries some of the most striking and eye-catching t-shirts and tunics in town. But that's not all; there are denims, leggings, frocks and mounds of trendy accessories, all original and with a twist. Sourced directly from select Japanese artists and designers, Popkiller's assortment is unique, edgy and plain unruly in its rampant variety. Furthermore, it spans through mind-boggling miscellany, from fashion eyewear to post cards, stickers and magnets, to weird toys and puzzling gadgets. Grab a two hour parking spot on the street, or in a nearby cheap lot and dive in. You owe it to yourself to experience Popkiller first-hand.
