Rag-o-Rama

"Fashion Re-cycled"

If you are tired of your never-changing wardrobe and need a fix at a good price, head straight to Rag-o-Rama, one of the most popular recycle stores in the city. Featuring 'gently used' apparel and accessories, the store is provides a good variety and value for money. Drop in and take a look at the items, you could even get store-credit to trade off your old clothes; but be warned, as they are very particular about the items they buy. Selling only quality, laundered and clean products, the Little Five Points outlet is one of four in the country.
