Seattle Antiques Market

"Vintage Utilities"

Located on Seattle's coastline, Seattle Antiques Market is a haven for an antiquarian. Founded in 1978 by Ken Eubank, this store offers a variety of essential antiques, ranging across, wardrobes, sofa sets, coffee tables, trunks, vanity tables and more. They also offer beautiful adornments like vases and counter pieces, that will add to the beauty of your room. Their range of collectables from the 1800s and early 1900s accompanied by the amicable service, makes this a wonderful place to stop by for antiques or just to browse through their shelves.

Isadora's Antique Jewelry

"Vintage Jewelry"

Once your eyes grow accustomed to the dimness of this shop, they'll widen at the array of preserved elegance. The specialty here is fine antique jewelry. The estate jewelry ranges from antique engagement rings with all manner of precious stones to original pieces from the Victorian era. A large selection of Art Deco jewelry is a big draw at Isadora's. This store definitely has that special, unique piece to make anyone's eyes sparkle with delight.
