Hotel Ylem

"A Memorable Stay"

Hotel Ylem is a trendy and artsy hotel that offers a unique and memorable stay to its guests and is located a stone's throw from the neighborhood's major attractions like NRG Park, NRG Stadium and Texas Medical Center and minutes away from the Houston Zoo and Rice University. You are greeted by the sight of a beautiful large mural on the wall of this hotel and the chic lobby has been done up in earthy tones and vibrant colors that add more character to the place. Every room is distinguished and is tastefully decorated and you can access various amenities like wifi, mini-bar, a bedside charging station, television, coffee and tea making facilities and more. You can relax at their Esperanto bar, work it up in the gym or reply to a few emails in their business lounge. The highlight of the property is their happiness center, a room dedicated to relaxation where you can browse through noteworthy artworks of local artists or play a board game or two.
