Kalachandji's Restaurant and Palace

"Outstanding Vegetarian Cuisine"

In a quiet neighborhood just east of downtown Dallas lies one of the best vegetarian restaurants in the U.S. Each day, Kalachandji's website updates the menu which features only the freshest in-season ingredients. Help yourself to the buffet which includes a wonderful array of exotically-prepared vegetables, rice, a salad bar, and breads. Diners can take advantage of the cozy dining room, but most prefer the lush patio. With such an amazing variety so well-prepared, even hardcore carnivores will leave this place pleasantly full.

Gopal Vegetarian Restaurant

"Meatless Everyday"

Although it may not look like much from the outside, Gopal is a great option in the Dallas area for delicious, vegetarian Indian food. Gopal's main specialty is the Thali, which is a kind of variety plate consisting of several small sides and a main dish. Sample all kinds of traditional Gurujati dishes, and don't worry the staff is happy to answer any of your menu questions. In addition to restaurant service, Gopal also provides catering and tiffin services.
