Funky Monkey

"Retro Swinging"

Stand out with a few threads from this unisex shop, which houses vintage clothes with a twist. It's easy to get carried away at Funky Monkey, especially when you dig the vintage look. Sort through heaps of garments; you are bound to wind up with an enviable ensemble if you know how to mix and match. Concert tees share shelf space with a few original designs, glittery '50s tops, flowery '60s skirts and '80s rock-styled rags. A few cheerful Hawaiian shirts and retro swimwear will appeal to the free-spirited. The store is always populated by peppy tourists and locals monkeying around with other stuff on display like wigs, handbags, stockings and shoes. If you should find yourself with a load of duds you are hesitant to wear in public, fear not—there's always Halloween!
