The Original 5 & Diner

"Blast From the Past"

Elvis didn't eat here, but he would have if he knew about it. This 50's diner is the ultimate American icon with its jukebox, vinyl-upholstered booths, sassy staff and classic American cuisine. With decor straight out of the fifties, you may want to grease back your locks or dig out your poodle skirt! Besides the burgers and shakes, you can order comforting entrees like open-faced turkey sandwiches, liver and onions, and meatloaf. Breakfasts also feature all-American staples like omelets, pancakes and even oatmeal. And, if you're a fan of cherry Cokes, this is one of the few places you'll still find them made-to-order, not out of a can.
