Club Muse

"Nishi Azabu Hot Spot"

In the sea of Tokyo nightlife, if you walk into the wrong atmosphere, finding the right club to mingle with locals and other people from abroad can be a disheartening experience. Most people who come to Tokyo usually find themselves taking a trip to the infamously sleazy Roppongi nightlife scene—but just about 10 minutes on foot from Roppongi Hills, is the popular and more attractive Club Muse. Well-known among the foreign community in Tokyo for being an excellent pick-up spot, count on finding several people (locals/foreigners) who share the same taste for excitement. Average-priced drinks, pool tables, a few karaoke rooms, and 2 dance floors with a mix of music await the arrival of those who are looking for a bit of action during their stay.

T.Y. Harbor Brewery

"Waterfront Brewpub"

T.Y. Harbor Brewery does a great job with the beers that are brewed on location. A good offering of ales; amber, pale, wheat and stout; these beers are on tap daily and should be sampled. With local Japanese beer and conventional brews as well, beer lovers of any persuasion will be satisfied by the variety and solid flavors on offer here. Scrumptious American delicacies are perfect accompaniments to the brews. There is also a patio overlooking the canal and is a perfect spot to soak in some sun while sipping on cold beer in spring and summer.
