

“Top Things To Do in Kalispell”

A paradise for hikers and outdoor lovers, Kalispell is enveloped by Montana's spellbinding nature. While the ski resorts offer breathtaking views of the snow-capped mountains, the art museums, golf clubs and casinos are just as enticing to tourists.

Herron Park

“Nature's Allure”

An oasis of the city, Herron Park delights visitors with picturesque views of the Foys Lake and its environs. Lined with pine trees, the park has winding trails that make for a great hiking route. Many outdoor enthusiasts also explore this trail on a mountain bike and it's also quite famous for horseback riding.

Woodland Park

“Wonderful City Park”

A verdant expanse occupying the heart of the city, Woodland Park is Kalispell’s beloved public park. It delights visitors with its natural allure that includes a picturesque pond, carefully manicured lawns, peacefully wandering ducks, towering trees, and enchanting birdsongs. The park is also a treat during winters when the pond takes on the role of an ice rink.

Whitefish Lake

“Serene Freshwater Lake”

Surrounded by breathtaking mountains, the Whitefish Lake is a natural gem. The lake was named after the large population of mountain whitefish that was found here. Today, this waterbody is the home of lake whitefish, rainbow trout and brook trout to name a few. Tourists and locals frequent this spot for boating, fishing as well as hiking around the nearby trails is a popular activity.

Fisher House

“Famous Architectural Landmark”

A very renowned landmark in the city, the Fisher House was the residential home of Reverend George McVey Fisher and his family. Constructed in the year 1892, the house is very well-preserved and is an exemplar of the Stick/Eastlake style of architecture. It is registered as a national historic place.
